

2018

WHAT'S NEW THIS SEASON?

We've made a few changes here at Arrowhead ...

- An extended, professional tee off area on Hole #4. (Because Mark Coleman wouldn't let it rest.)
- A renovated snack shack/beer booth between Holes #5 and #6 by our own Tom Snyder.
- A new chipping ridge and practice area to work on your short game before you head out.
- New 5K walking/running trail on the property, compliments of the Macy Family of Exit 18 Equipment.
- PLUS – Several secret improvements that you might not notice every day!
